(Paterson, NJ. - September 24, 2009) The Studio at Samuelson Furniture continues to impress the design community with chairs that are timeless expressions of style; classic, sophisticated and created with a legendary history that truly defines quality furniture. This exceptional craftsmanship is evident in the beautiful wood contours, hand-rubbed finishes and finely detailed upholstery of the new 7809 Chair.

A chair from Samuelson is an investment in a heirloom piece that will be enjoyed for generations; a tasteful expression of style and comfort. Sold exclusively to the trade, the 7809 Arm Chair is part of the Invincible Collection. The timeless chair measures 34-3/4" high x 34-1/2" wide x 30-1/4" deep and is available with show wood top or fully upholstered top.
