14. Samuelson Furniture's Curved Banquette

Samuelson Furniture's Banquette #8602 is defined by its semicircular base. Well-suited to restaurant lounge spaces, lobbies and other hospitality settings, the banquette features a recessed walnut base and back-to-back seats separated by quarter-cut walnut veneer back panels accented with LED lighting. Each banquette measures 35 inches high by 114 inches in length, with an overall depth of 72 inches.
