

## Samuelson Furniture—Phorm Side Table

By C&RB Staff | May 16, 2023

### Features:

- Consumes a small spatial footprint, but demands to be noticed
- The zig and zag of this end table's design makes a dramatic statement
- A reverse beveled walnut top appears suspended as it is counter balanced on an antique bronze finished stainless steel base in Z formation
- A matching walnut bar, attached to the lower, weighted base, adds functional design appeal for books or magazines
