Encore presents **LOUPE** upholstered stools and tables. The 9-inch-diameter stools have a 400-pound weight capacity, can rotate 360 degrees for maneuverability, and come equipped with a handle for easy transport. The tables are offered in multiple sizes in a variety of solid surface, veneer, and laminate options.

Pineapple Contracts' **SEAL** is a minimalist seating line featuring a smooth, seamless, and continuous shape that's engineered to minimize concealment opportunities in behavioral health environments. A soft foam core is enveloped

by a water-resistant outer skin, creating a hygienic surface that can be easily cleaned and dried. The line is available in chair or two-seater styles.
