

Samuelson Furniture—Swivel Chair

By C&RB Staff | April 6, 2020

Features:

- Part of the newly launched Phorm Collection
- Features curvaceous arms with solid wood arm caps and available custom finishes
- The steel pedestal-like base is designed with a wood platform that can be covered in a variety of sleek veneers
- The steel trim at the bottom of the chair serves as the design highlight of the piece
- The Swivel Chair is chic in style and serves as an edgy addition to the new collection
