The Shrinking Office and What It Means for Contract Furniture

Samuelson Furniture Introduces the Wallace Rocking Settee

Samuelson Furniture has launched the Wallace Rocking Settee, a two-seater designed for comfort and balance, featuring a patent-pending "Rock Stopper" mechanism for safety. The settee combines modern elegance with ergonomic support, enhancing relaxation while ensuring stability. The company, a fourth-generation family-owned business, specializes in high-end furniture for the hospitality and senior living sectors.
