officeinsight

The Phorm Collection from **Samuelson Furniture** received a chic makeover for BDNY, complete with a rich yellow color and a watercolor floral pattern. The Tete-a-tete is more than seating, it doubles as personal space for two. The high backs offer added comfort, and this version has a custom finished side drink table. Available with USB ports for charging mobile devices. ■

*The Tete-a-Tete from the Phorm Collection by Samuelson Furniture was updated with a new color and pattern for BDNY.*
