#8834 Grant Dining Chair

Samuelson Furniture

Samuelson Furniture's #8834 Grant Dining Chair features a high-back design and seating structure that provides comfort and ease of entry and exit. The chair includes a discreet tilting system that moves the seat to expose a drop-through frame that enables easy cleaning. An optional patent-pending hardware system holds a folded walker on the back of the chair.

Treatment recliners for oncology, infusion, dialysis and more.
